

Unit 1: move your body!

Natural Science

Review

Joints and muscles help us move our body.

Bones are hard.

× Joints: articulaciones.

My body has got three sections:

1. Head
2. Torso
3. Limbs

My face!

1 eyes

2 eyelashes

3 eyebrows

4 ears

5 cheeks

6 nose

7 mouth

8 tongue

9 chin

FUN FACT
Your ears and nose continue growing all your life!

Find an animal's nose hidden in the unit!

Our five senses
